

MSP®

Managing Successful Programmes Practitioner Certification

2 Days

If you are in charge of a program, whether in implementation of new technologies regulatory or organizational transformation, MSP certification is for you.

LEARNING OBJECTIVES

MSP provides an effective and proven methodology for transformational program management. The MSP framework helps organizations deliver complex programs that transform them. This methodology is based on experiences in both the public and private sectors and has quickly become the reference in program management.

MSP Practitioner Certification - 2 Days

The Practitioner level is designed to confirm that the candidate has sufficient knowledge and understanding of MSP to act as an informed member of the Programs Office team. This person will be able to manage, lead, support and advise on the work in a MSP® environment.

An Advanced Practitioner level is also available for those appointed to lead a portfolio or programme support function, BCMS and other programme support and management professionals. Trainers often pursue this advanced-level certification.

WHO SHOULD ATTEND

- Program Sponsors, Directors or Senior Executives responsible for delivering the program
- Program Managers responsible for the set-up, management and delivery of a program
- Portfolio / Program Office staff who provide information and standards to the program management team
- Business Change Managers or Change Agents who work with the program to embed new products into business as usual and realize benefits

PREREQUISITES

You need to pass the Foundation course to be eligible to take the Practitioner course and exam. You should expect to undertake a period of self-study using materials provided before the course begins. In addition, there will be evening work to be completed throughout the course.

MATERIALS AND FEES

Comprehensive pre-course reading material is provided, including a copy of “*Managing Successful Programmes (MSP®)*” which is part of the Global Best Practice suite of publications that supports the certification. The exam voucher is included in the cost of this course.
